PAELLA DAY CUP

## TERMS AND CONDITIONS FOR PARTICIPATION WORLD PAELLA DAY CUP 2023

---

### DESCRIPTION

---

Since 2018 and every 20th September, the **World Paella Day** has been celebrated, a recognition to the most universal dish of València's gastronomy. A day on which Valencians share paella with the rest of the world to celebrate, beyond recipes and ingredients, its most international version.

And what better way to share it than to offer chefs from all over the world the opportunity to cook their own recipe in the birthplace of paella. In this spirit the **World Paella Day Cup** was born, which in 2023 celebrates its fourth edition.

It is an international competition in four phases where up to **10 cooks** will go to the grand final and defend their country with their paella in September 20th.

This year -again- the finalist chefs will participate in the **World Paella Day Stage Valencia** experience, five days in Valencia to immerse themselves in the paella culture with programmed visits to the Huerta de València, the rice fields of the Albufera Natural Park, the Central Market and many more.

Once more, Spain will maintain its role as host country of the competition, but will not participate. Finalists and assistants from the two previous editions will not be able to participate either.

### HOW TO PARTICIPATE

---

Participation is divided into four phases:

#### PHASE 1. REGISTRATION (until May 29th)

Prepare a video no longer than 59 seconds telling at least:

- Your professional background.
- Which country you want to represent.
- Why you would like to participate in the IV World Paella Day Cup.

Then, **fill in this form** including your video and photo/s.

#### PHASE 2. SELECTION OF THE FINALISTS (from June 7th to 25th)

Best candidates who adequately fulfil the requirements of phase 1 will be listed on **[www.worldpaelladay.org](http://www.worldpaelladay.org)** (or the digital support that is deemed appropriate) in June 7th, and can be voted on by the public until June 25th. In addition, any fan can vote for their contestant by using the hashtag #WorldPaellaDayCUP and the hashtag of the chef they are cheering for.

A jury made up of professionals appointed by the World Paella Day organisers will select 8 or 10 finalists and 3 reserves before July 16th, taking into account criteria of geographic representativeness, voting, media impact, career and videos received.

All those selected will be informed in a personalised way by e-mail.

### PHASE 3: WORLD PAELLA DAY STAGE (September 16th-19th)

The selected finalists will be invited to come to Valencia to compete on September 20th.

Finalists are offered a complete Stage program of activities that will allow them to get to know Valencia and its province: the birthplace of paella.

The World Paella Day organisers will cover the travel expenses (train or economy class flights) and accommodation for each finalist chef plus one accompanying person (in a double room), as well as the activities included in the stage.

In the event that a finalist does not accept the conditions of participation, their place will be offered to the other reserve finalists until the number of eight or ten selected is completed.

### PHASE 4. WORLD PAELLA DAY CUP 2023 FINAL (September 20th)

Once the Stage phase is over, finalists will face each other cooking their paellas on September 20th, live, in the space designated by the organization.
